

Trembling Blue Stars, Abba On The Jukebox

Land's End at dusk
A day of churches
Her getting her hair cut
A windswept walk to Dunnet Head
Boarding a north-bound train at Inverness
A rainy Cley-next-the-Sea
Her swinging on a tyre
Me taking her picture
A station frozen in time
March stars in a Norfolk sky

Her sleeping head on my shoulder
With the bus heading on
And the day-out done
A lighthouse sending its light
Out across Thurso bay at night
To Blakeney Point and back again
Walking in the ruins
Of Binham Priory
Abba on the jukebox at Par Sands
A two way trip on the Bodinnick ferry
