skrrt, skrrt, beep, beep
girl, meet me in my bed
I;ma go down eat, eart
ride them chi chis
know I'ma skeet, skeet

when I kiss your lips
kiss your shit
when you spit on it

don't let overthink and analyze

swirl that tip
slow motion when I am inside
take that shhh
don't give me no lip when you're laying on your stomach
and I grip them hips tight
don't you think about running from me
when I slip inside
