

# Trey Songz, Touchin, Lovin (ft. Nicki Minaj)

[Nicki Minaj:]

Woo  
Yoo, Money  
Trigga Trey  
Let's get it

No, I ain't tryna flex, no ceilings you can see who's in it  
If we're talking about sex, girl, you know that I invented that  
And I'm onto the next, that's unless you bring a friend who with it

I'm sorry, oh, you mad that I came to the party?  
Like, no, no, no  
You took your girl to the club and now she gone, gone, gone  
Now she asking me when I'm taking her home, home, home  
I tell her "let's go" long as you know  
Cause I know when we get alone

I'm touchin' you tonight, I'm lovin' you tonight  
Wait nope  
I'm fuckin' you, girl, you must be used to spendin', putting in that time  
Touchin', lovin', fuckin', can't make up my mind  
I'm lovin' you.  
Wait nope.  
I'm fuckin' you tonight

Girl you fuckin' with the best  
Take a picture while I'm deep up in it  
Oh-oh-oh, and if they living right next  
Then I bet they know my name in a minute  
Let me feel your body sweating, I promise I'll keep your body dripping

I'm sorry, oh, you mad that I came to the party?  
Like, no, no, no  
You took your girl to the club and now she gone, gone, gone  
Now she asking me when I'm taking her home, home, home  
I tell her "let's go" long as you know  
Cause I know when we get alone

I'm touchin' you tonight, I'm lovin' you tonight  
Wait nope  
I'm fuckin' you, girl, you must be used to spendin', putting in that time  
Touchin', lovin', fuckin', can't make up my mind  
I'm lovin' you.  
Wait nope.  
I'm fuckin' you tonight

[Nicki Minaj:]

Sometimes I tell 'em I love 'em because I just wanna fuck 'em  
I never love 'em, I cuff 'em and when we done I'mma duck 'em  
He Ferragamo the buckle, he Louis V on the duffel  
The pussy wetter than puddles, I ride his dick like a shuttle  
I said real niggas let real bitches cum first  
And real bitches been bad bitches from birth  
Kiss him when he cumming  
Make more money last year than Mister Drummond  
He like it when I ride it slow

I'm touchin' you tonight, I'm lovin' you tonight (Wait nope)  
I'm fuckin' you, girl  
You must be used to spendin', putting in that time  
Touchin', lovin', fuckin', can't make up my mind  
Nicki, you know that I love ya, I'm loving you  
And I really wanna touch ya, I'm fucking you tonight

[Nicki Minaj:]  
What you mean, "wait, no"?  
Like what?  
You better act like you know, nigga  
It's Nicki Minaj!
