Tricky, Black Steel (Radio Edit)

Martina:

I got a letter from the government

The other day

Opened it and read it

It said they were suckers

They wanted me for their army or whatever

Picture me givin' a damn, I said never

Here is a land that never gave a damn

About a brother like myself

Because I never did

I wasn't wit' it, but just that very minute...

It occurred to me

The suckers had authority

Cold sweatin' as I dwell in my cell

How long has it been?

They got me sittin' in the state pen

I gotta get out, but that thought was thought before

I contemplated a plan on the cell floor

I'm not a fugitive on the run

But a brother like me begun, to be another one

Public enemy servin' time, they drew the line y'all

They criticize me for some crime

I got a letter, I got a letter, I got a letter Picture me given' a damn, I said never

Mmm... mmm... mmm

It occurred to me

The suckers had authority

Cold sweatin' as I dwell in my cell

How long has it been?

Martina:

Nevertheless they could not understand
That I'm a black man, and I could never be a veteran
On the strength of situations, I'm real
I got a raw deal, so I'm lookin' for the steel
Looking for the steel
