

# Tricky, Singing The Blues

i've been working so hard  
just came home from my job  
i look down in my wallet  
goddamit I been robbed  
where can my money be now  
[five of a???] a week's long work  
what can I do now  
I got so many bills to pay  
you got me singing the blues  
and i'm payin all my dues  
you got me singing the blues  
and i'm payin all my dues  
[????] outta my pocket  
oh what a day  
the bills are gonna rob me tomorrow  
that's why i need my ten dollars today  
you got me singing the blues  
and i'm payin all my dues...
