

# Trippie Redd, Wish

Baby, what you wishin' for?  
Maybe you should wish it more  
Maybe the world is yours  
Maybe when it rains it pours (Keep on wishin')  
I don't know how to wish anymore (Keep on wishin')  
I don't know how to wish anymore  
Or do I?

Wish you'd get out my face, might go MIA  
Might just blow my brain, I'd be Kurt Cobain  
I can't feel my face  
I can't feel my face  
I can't feel my face  
I can't feel my face

I wish you will find your chill  
'Cause Lord knows this shit get real  
And for this price, you know you'd kill  
Man it's big brack, you know the deal  
Man it's big slatt, you know the deal  
Draco a big dragon, fire hell  
Can't save me, man, save yourself  
'Cause I do not need no help

Keep on wishin'  
Keep on wishin'  
Keep on wishin'

Baby, what you wishin' for?  
Maybe you should wish it more  
Maybe the world is yours  
Maybe when it rains it pours (Keep on wishin')  
I don't know how to wish anymore (Keep on wishin')  
I don't know how to wish anymore  
Or do I?

Wish you'd get out my face, might go MIA  
Might just blow my brain, I'd be Kurt Cobain  
I can't feel my face  
I can't feel my face  
I can't feel my face  
I can't feel my face

Baby, what you wishin' for?  
Maybe you should wish it more  
Maybe the world is yours  
Maybe when it rains it pours (Keep on wishin')
