

# Trisha Yearwood, Maybe It's Love

Everybody's heart aches  
Every time it opens  
You don't know if you'll win or lose  
You have to just let go

No I wasn't looking  
It's funny how I found you  
Just when I thought  
I'd live my life alone

Maybe it's love  
That I have longed for  
Maybe it's love  
I should be strong for  
I'm tearing down the walls inside  
I want to laugh, and cry and kiss  
Maybe it's love  
I miss

I've close my heart down  
So many seasons  
I didn't want to hurt again  
I didn't want to try

So I turned myself to ice and stone  
Said I don't need anyone  
And nobody else  
Would ever make me cry

Maybe it's love  
I've run away from  
Maybe it's love  
Bringing me back home  
I'm tearing down the walls inside  
I want to laugh, and cry and kiss  
Maybe it's love I miss

So put your arms around me now  
Hold me tight  
Show me how  
No one has ever loved me more  
I've waited for so long

Maybe it's love  
Maybe I'm dreaming  
Maybe it's love  
I can believe in  
I'm tearing down the walls inside  
I want to laugh, and cry and kiss  
Maybe it's love  
Maybe it's love  
Maybe it's love
