

Triumph, When The Lights Go Down

Spotlights

Houselights ready to cue

Backstage smoke is risin'

Steamin' like a witch's brew

I want to play some rock 'n' roll

I want to sing the blues

Yes I know

I feel it comin'

Let the party roll

When the lights go down

We're ready to play the blues

When the lights go down

It's time to light, time to light, time to light the fuse

Oh no

They're screamin' like the 4th of July

Hollywood comes to your hometown

Hammers cocked and ready to fire

I've got itchy fingers

For the trigger tonight

And I'm tired of waitin'

So tired

Let the party roll
