

# Troye Sivan, Animal

I told you something safe  
something I've never said before  
and I can't keep my hands off you  
while you lie in the wake  
covered all in the night before  
I'm high  
no one's got me quite like you

I want you all you myself  
don't leave none for nobody else  
I am an animal with you

no angels could beckon me back  
and it's hotter than hell where I'm at  
I am an animal with you

an ode to the boy I love  
boy I'll die to care for you  
you're mine  
tell me who do I owe that to  
and as the days fly by  
we'll be more than getting through  
and in time  
we'll built a home for two

I want you all you myself  
don't leave none for nobody else  
I am an animal with you

no angels could beckon me back  
and it's hotter than hell where I'm at  
I am an animal with you

all is right in the meadow  
when I'm lying next to my fellow  
baby that's you /2x

one way trip like an arrow  
all laid out like a tarot  
baby that's you /2x

I want you all you myself  
don't leave none for nobody else  
I am an animal with you

no angels could beckon me back  
and it's hotter than hell where I'm at  
I am an animal with you

I am an animal with you
