

Troye Sivan, Animal

I told you something safe
something I've never said before
and I can't keep my hands off you
while you lie in the wake
covered all in the night before
I'm high
no one's got me quite like you

I want you all you myself
don't leave none for nobody else
I am an animal with you

no angels could beckon me back
and it's hotter than hell where I'm at
I am an animal with you

an ode to the boy I love
boy I'll die to care for you
you're mine
tell me who do I owe that to
and as the days fly by
we'll be more than getting through
and in time
we'll built a home for two

I want you all you myself
don't leave none for nobody else
I am an animal with you

no angels could beckon me back
and it's hotter than hell where I'm at
I am an animal with you

all is right in the meadow
when I'm lying next to my fellow
baby that's you /2x

one way trip like an arrow
all laid out like a tarot
baby that's you /2x

I want you all you myself
don't leave none for nobody else
I am an animal with you

no angels could beckon me back
and it's hotter than hell where I'm at
I am an animal with you

I am an animal with you
