Troye Sivan, Animal

I told you something safe something I've never said before and I can't keep my hands off you while you lie in the wake covered all in the night before I'm high no one's got me quite like you

I want you all you myself don't leave none for nobody else I am an animal with you

no angels could beckon me back and it's hotter than hell where I'm at I am an animal with you

an ode to the boy I love boy I'll die to care for you you're mine tell me who do I owe that to and as the days fly by we'll be more than getting through and in time we'll built a home for two

I want you all you myself don't leave none for nobody else I am an animal with you

no angels could beckon me back and it's hotter than hell where I'm at I am an animal with you

all is right in the meadow when I'm lying next to my fellow baby that's you /2x

one way trip like an arrow all laid out like a tarot baby that's you /2x

I want you all you myself don't leave none for nobody else I am an animal with you

no angels could beckon me back and it's hotter than hell where I'm at I am an animal with you

I am an animal with you
