## Tub Ring, Psychology Is B.S. (Not Science)

You've Got Friends You've Got Friends Practicing Ventriloquists

Sentences, Pretenses They're Spoken For You

But What They Don't Know Could Fill A Room

You've Got Friends What's Wrong With Them

Skeletons Just Talk To Them Or Go See A Doctor Of Medicine

So You're Depressed (So You're Depressed, You're Feeling Down) And Heads A Mess, I'll Listen To You (Your Head Is Floating In The Clouds) And Recommend, Then Promise To Meet Again (And Recommend A Time For Us, To See Each Other Again)
