

Tune, Sheeple

Carry on, don't think
Just march along, achieve
Our common goal
It's what you want
It's what you need
Pay no mind, believe
Your leaders in HD
Lay back and dream
Allured by the charm
Of a flickering screen

It's under control
Don't leave your comfort zone
You don't need to go beyond
Cause what you don't get
Is what you fear
We'll mold the world you see
The reality's on TV
Identity?
It don't matter
Cause you're all the same to me

We are the sheeple
We don't dare to deny
And when the sun goes down
We praise the prime-time
Messiah
We are sheeple
We don't dare to defy
Just say the word
Our herd will hail
And jump into the fire
