TWENTY ONE PILOTS, Ode to Sleep

[Verse 1]

I wake up fine and dandy, but then by the time I find it handy To rip my heart apart and start planning my crash landing

I go up, up, up, up to the ceiling

Then I feel my soul start leaving like an old man's hair receding

I'm pleading, "Please, oh please!" on my knees repeatedly asking

Why it's got to be like this, Is this living free?

I don't wanna be the one

Be the one who has the sun's blood on my hands, I'll tell the moon

Take this weapon, forged in darkness

Some see a pen, I see a harpoon

[Pre-Chorus]

I'll stay awake 'cause the dark's not taking prisoners tonight Why am I not scared in the morning? I don't hear those voices calling I must have kicked them out, I must have kicked them out I swear I heard demons yelling Those crazy words they were spelling

They told me I was gone, they told me I was gone

[Chorus]

But I tell 'em, " Why won't you let me go? Do I threaten all your plans? I'm insignificant" Please tell 'em, you have no plans for me I will set my soul on fire, what have I become? I'll tell 'em

[Verse 2]

On the eve of a day that's forgotten and fake As the trees, they await, and clouds anticipate The start of a day when we put on our face A mask that portrays that we don't need grace On the eve of a day that is bigger than us But we open our eyes, cause we're told that we must And the trees wave their arms and the clouds try to plead Desperately yelling, " There's something we need! " I'm not free, I asked forgiveness three times Same amount that I denied, I three-time MVP'd this crime I'm afraid to tell you who I adore Won't tell you who I'm singing towards Metaphorically, I'm a whore, and that's denial number four

[Pre-Chorus]

I'll stay awake 'cause the dark's not taking prisoners tonight Why am I not scared in the morning? I don't hear those voices calling I must have kicked them out, I must have kicked them out I swear I heard demons yelling Those crazy words they were spelling They told me I was gone, they told me I was gone

[Chorus]

But I tell 'em, why won't you let me go Do I threaten all your plans? I'm insignificant Please tell 'em, you have no plans for me I will set my soul on fire, what have I become?

[Outro]

I'll tell 'em, you have no plans for me, I will set my soul on fire What have I become? I'll tell 'em, I'll tell 'em, I'll tell 'em I'll tell 'em, please tell 'em, you have no plans for me I will set my soul on fire, what have I become? I'm sorry
