

# TWENTY ONE PILOTS, Semi-Automatic

[Verse 1]

Night falls, with gravity  
The earth turns, from sanity  
Taking my only friend I know  
He leaves a lot, his name is Hope

[Chorus]

I'm never what I like  
I'm double-sided  
And I just can't hide  
I kinda like it  
When I make you cry  
'Cause I'm twisted up, I'm twisted up, inside

[Verse 2]

The horrors of the night melt away  
Under the warm glow of survival of the day  
Then we move on  
My shadow grows taller along with my fears  
And my frame shrinks smaller as night grows near  
When the sun is climbing window sills  
And the silver lining rides the hills  
I will be saved for one whole day  
Until the sun makes the hills its grave

[Chorus]

I'm never what I like  
I'm double-sided  
And I just can't hide  
I kinda like it  
When I make you cry  
Cause I'm twisted up, I'm twisted up, inside  
I'm never what I like!  
I'm double-sided  
And I just can't hide  
I kinda like it  
When I make you cry  
Cause I'm twisted up, I'm twisted up, inside my mind

[Breakdown]

I'm semi-automatic  
My prayers schizophrenic  
But I'll live on, yeah I'll live on, yeah I'll live on  
I'm semi-automatic  
My prayers schizophrenic  
But I'll live on, yeah I'll live on, yeah I'll live, yeah, yeah, yeah!  
I'm semi-automatic  
My prayers schizophrenic  
But I'll live on, yeah I'll live on, yeah I'll live on  
I'm semi-automatic  
My prayers schizophrenic  
But I'll live on, yeah I'll live on...

[Bridge]

By the time the night wears off, the dust is down  
And shadows burn  
I will rise and stand my ground  
Waiting for the night's return

[Chorus]

I'm never what I like  
I'm double-sided  
And I just can't hide  
I kinda like it

When I make you cry  
Cause I'm twisted up, I'm twisted up, inside  
I'm never what I like!  
I'm double-sided  
And I just can't hide  
I kinda like it  
When I make you cry  
Cause I'm twisted up, I'm twisted up, inside my mind
