

# TWENTY ONE PILOTS, Slowtown

[Verse 1]

Hey, hey  
Wouldn't it be great, great  
If we could just lay down  
And wake up in Slowtown?  
Today, day  
I wanna go away, way  
'Cause things are too fast now  
I wanna be in Slowtown

[Chorus]

I put my socks on my feet  
Just so that my soul won't fall through my toes  
And I walk through my door  
Just so I don't fall through the floor

[Verse 2]

I remember when my brother and other kids from neighboring houses  
Would get together, I'd ride my bike and my brother would ride his  
Put cards in our spokes and make our engines sound like traffic  
When using Pokémon cards, please do not use the holographics  
So bold and fearless in the risks we'd take  
Laugh in the face of gravity as its laws we'd break  
On trampolines so high, we'd reach for the sky  
But I do not look up anymore and I don't know why

[Chorus]

I put my socks on my feet  
Just so that my soul won't fall through my toes  
And I walk through my door  
Just so I don't fall through the floor

[Bridge]

Slow, slow  
Slow, slow  
Slow, slow  
Slow, slow  
We're going too fast, fast, save us  
We're going too fast, fast, save us  
We're going too fast, fast, save us now  
We're going too fast, fast, save us  
We're going too fast, fast, save us  
We're going too fast, fast, save us now  
We're going too fast, fast, save us!  
We're going too fast, fast, save us!  
We're going too fast, fast, save us now!

[Chorus (Reprise)]

I walk through my door  
(We're going too fast, fast, save us)  
Just so I don't fall through the floor  
(We're going too fast, fast, save us)  
(We're going too fast, fast, save us now)

[Outro]

Hey, hey  
Wouldn't it be great, great  
If we could just lay down  
And wake up in Slowtown?  
Just singing
