

# TWENTY ONE PILOTS, The Outside

[Verse 1]

I'm already bored  
I'm pretty sure I've seen this one before  
I've got a long drive, I'll tape my eyes  
So I don't fall asleep again  
Singing out

[Chorus]

Up and down, they're nodding  
Heads are moving up and down  
You got it  
Everybody stand in line (Up and down, you got it)  
One by one, take a hit, join the club  
Kids will try to take my vibes  
Or am I on the outside?

[Verse 2]

I've got a long drive, I'll tape my eyes  
So I don't fall asleep again  
Singing out

[Chorus]

Up and down, they're nodding  
Heads are moving up and down  
You got it  
Everybody stand in line (Up and down, you got it)  
One by one, take a hit, join the club  
Kids will try to take my vibes (Up and down, you got it)  
Or am I on the outside?

[Interlude]

Am I on the outside?  
Am I on the outside?

[Bridge]

I am a Megalodon, ocean's feelin' like a pond (Like a pond)  
Swimmin' like a beast, underneath they be clingin' on (Clingin' on)  
Meteoric rise in prehistoric times  
Now that meteor is comin', comin'  
I am Megatron, cogs I'm steppin' on (Steppin' on)  
Then the little cogs get together start a renaissance (A renaissance)  
Switch it up on me, fuel efficiency  
On fumes I am runnin', runnin', runnin'

[Chorus]

Up and down, they're nodding  
Heads are moving up and down  
You got it  
Everybody up and down, they're nodding  
Heads are moving up and down  
You got it  
Everybody stand in line (Up and down, you got it)  
One by one, take a hit, join the club  
Kids will try to take my vibes (Up and down, you got it)  
Or am I on the outside?

[Outro]

In the summer heat, in the summer heat  
I'm in the street, I'm in the street  
I'm on the outside  
In the summer heat (In the summer heat)  
You can pay the cover charge  
I'm in the street (I'm in the street)  
Little did they know

That they can't touch me (Touch me)  
I'm vibing, vibing  
I'm on the outside  
In the summer heat (In the summer heat)  
You can pay the cover charge  
I'm in the street (I'm in the street)  
Little did they know  
That they can't touch me (Touch me)  
I'm vibing, vibing, yeah  
Yeah  
Yeah  
Yeah
