

Two, Water's Leaking

Water's Leaking
From the creek above
Makes me shaky
Pacing in the flood

The Water's Leaking
Goin' down
In my tears
I am drowning
In my fears
Keep my head up
Don't fall in
Walk on water
I'll sink or swim

Down where it's clouding
Like I've never seen
Leaves me drowning

The Water's Leaking
Goin' down
In my tears
I am drowning
In my fears
Keep my head up
Don't fall in
Walk on water
I'll sink or swim
