

# TXT, Chasing That Feeling (English Version)

Lost on a moonlit night  
Summer '19  
Thought it would last forever  
Never felt more alive

Life was so simple then  
A perpetual high  
Those days that I knew may be gone  
But I won't let them die

Time's a thief that keeps on stealing  
I just keep on chasing that feeling

Won't give up  
Won't stop believing  
I just keep on chasing  
Chasing that feeling  
Chasing that feeling  
Chasing that feeling  
It's all I know  
It's all I know

Didn't know what I had did I  
Left it all in the past  
Hoping for twice in a lifetime  
Is that too much to ask?

Lightning across the sky  
Went by in a flash  
I'll keep running faster  
Chasing one more chance

Time's a thief that keeps on stealing  
I just keep on chasing that feeling

Won't give up  
Won't stop believing  
I just keep on chasing  
Chasing that feeling  
Chasing that feeling  
Chasing that feeling  
It's all I know  
It's all I know

I'm chasing  
Chasing  
I'm chasing

In my kaleidoscope  
Are pressed butterflies  
Reminding me I've only one life

Time's a thief that keeps on stealing  
I just keep on chasing that feeling

Won't give up  
Won't stop believing  
I just keep on chasing  
Chasing that feeling  
Chasing that feeling  
Chasing that feeling  
It's all I know  
It's all I know

I keep chasing  
Chasing  
I'm chasing  
Chasing  
Chasing that feeling
