

TXT, LOVESONG (I Know I Love You) feat. Seorin

I know i love you!

In this world of zero
i know you're my 1 and only
in this endless darkness
like oh my go, so holy

from the tip of my fingers
everything runs far away

my life before you was a mess
couldn't win one round of this chess
oh we
from this bottomless pit
you're the only shining gold

Now i can't stop thinking about you
When i am sinking alone
Angel who one day appeared to me
Take me away to your hometown

I know it's real i can feel it
I am full of problems
Love sick
No way to go
I was fine to die
I am a loser in this game
The only rule of this world
Save me
Take my hand
Please use me like a drug

I know i love you
Say you love me
Say you love me
Till the end of the world
All or nothing
I want all of you
I know i love you
Say you love me
Say you love me
Till the end of the world
All or nothing
I want all of you

I am not going to make it
I won't be able to get into heaven
I don't belong there
No place for me in heaven

At the tips of my feet
Everything turned pitch black

My life before you was trash
Could never even light a single match
Oh we
In this world of ice

Now i can't stop thinking about you
When i am sinking alone
Angel who one day appeared to me
Take me away to your hometown

I know it's real i can feel it

I am full of problems
Love sick
No way to go
I was fine to die
I am a loser in this game
The only rule of this world
Save me
Take my hand
Please use me like a drug

I know i love you
Say you love me
Say you love me
Till the end of the world
All or nothing
I want all of you
I know i love you
Say you love me
Say you love me
Till the end of the world
All or nothing
I want all of you
