

Ty Dolla \$ign, 2022

Is this where our story ends?
Or is it where it begins?
The fact that we can't be friends is so unfortunate
Leavin' it all behind

2022, ooh, ooh-ooh, ooh, ooh-ooh
2022, ooh-ooh, ooh-ooh, ooh-ooh
It's so so unfortunate
We can't get it back, back

It's just too late to repair
My heart is sent in the air
And I know that life ain't fair
For you to leave me, yeah-yeah, yeah, yeah, yeah, yeah, yeah-yeah

2022, oh, oh-oh, oh-ooh
2022, oh-ho, ooh-woah, oh
And it's so so unfortunate
You left me in 2022, ooh, ooh, ooh-ooh-ooh
2022, 20-20, 20-20, 2022

Leavin' our memories in 2022, ooh
I thought, I thought it would be me and you
And my momma, my momma, my momma knew
2023 I'd be with someone new
Ooh-ooh-ooh-ooh

Hey-ayy
It'll be okay at the end of the day
Yeah, yeah, yeah
'Cause we're both fortunate
We grew up in 2022, ooh, ooh, ooh-ooh-ooh
Ooh-ooh-ooh-ooh
20-20, 2022
22, ooh, ooh
