Medals round my neck because I won, I won
Now my momma set 'cause I won, I won
Out here making bands, do what I want
Dee with the phone, I get what I want
Skrt I had em wheels off the 101
She just wanna chill on some 1 on 1
I just hit the gas, bitch I'm gone, I'm gone
I might do the dash on 'em, just because
Medals round my neck because I won

And i am not gon' stop wonnin'
And i am not gon stop spendin'
Lifestyle i am locked in it
10 wwek, i been top tennin'

She need me like oxygen
Felt the same til i got finished
Big rings with tchem rocks in it
Qhen i pop one
I am like Poper when he got spinach
