

# Tyler, The Creator, She

Golden rubbers in these denim pockets (denim pockets)  
On my waist, there's a black Glock (black Glock)  
New girl moved on the block (on the block)  
She been plottin' on my brown cock (brown cock)  
Last night I slept over hers (over hers)  
During sex, I overheard (I overheard)  
A sword sliced the air, I pulled out the na-na  
Rolled off the bed then shot back, pa-pa  
Blood on the sheets probably spillin' from my gash  
Looked out the glass, seen you sprintin' on the grass  
A real ninja with the blade and the mask  
Got them gold ninja stars and red Supreme nunchuks  
Now she tryna patch me up, but  
Girl, I was just tryna get a nutbust  
If that's your ex, you should probably own a pistol  
But I'm guessin' it's wiser to exit with dude

The blinds wide open so he can  
See you in the dark when you're sleepin'  
Think about it, fresh out the shower  
You touch yourself after hours  
Ain't no man allowed in your bedroom  
You're sleeping alone in your bed  
But check your window, he's at your window

The night light hits off, turnin' kisses to bites  
I'm a down to earth nigga with intentions that's right  
You'll be down in earth quicker if you diss me tonight  
But I'll be the happiest if you decide to kick it tonight  
We can chill and I can act like I don't wanna fuck  
You can tell me all your problems like I really give one  
But I give two for us cause you're the one that I want  
Don't wanna seem like a punk pussy that sips on the punk pussy  
See when I'm with my friends I just put on a front  
But in the back of my top I'm writing songs about we  
We as including I and yourself, making three  
Little ones pretty hard if you ask me  
You're a pretty broad in the top three  
Of things that I've been waiting to come, so  
Meet me by the lake around 10 and skinny dippin' and then  
We can begin the pretend game, I wanna be Finn from Adventure in Time

One, two, you're the girl that I want  
Three, four, five, six, seven, shit  
Eight is the bullets if you say no after all this  
And I just couldn't take it, you're so motherfuckin' gorgeous  
Gorgeous, baby you're gorgeous  
I just wanna drag you're lifeless body to the forest  
And fornicate with it but that's because I'm in love with  
You... cunt

I just wanna talk, and conversate  
Cause I usually just stalk you and masturbate  
And I finally got the courage to ask you on a date  
So just say yes, let the future fall into place  
I just wanna talk, and conversate  
Cause I usually just stalk you and masturbate  
And I finally got the courage to ask you on a date  
So just say yes, let the future fall into place... cunt
