Tyr, The Edge

Nightfall in my hall, all I can do is recall as I sit alone in the Darkness, I confess, my part was not any less than whose I was forced to impress It was a year ago, I left my heart behind to return, with a longing did I burn, I meant to return And now a year has gone and everything has changed for the worse and it's on me like a curse, th Sentenced to the death by the Thing, four conspirators 'gainst our king Led by Son of the Wolf they're just four blood brothers going over the edge Eggin tykist mr bert ein gtt, sorgin skipar lagnutttin Sjlvur yrkti eg niurlag, frtt er Eystfelli fr at fara Brtt er vsan II og tgn, hoyrdist t i kalda lagnan Leiddi teir Runsival, meg bert nian hgsta valaknk I see no other way than on, what will they say when I am gone I want my memory to be mild, I want it to glow Upon my pages blood is stained, this way some honour will remain But I did cause the death of a child both you and I know And when they came to bleed me dry, I only wonder why did I On that Easter morn' for the love of my life not vie Let them kill me just the same, I should have lied and played their game It is a lesser sin than what I have done since that day It won't go away, nothing I can say save lay down and pray What came from within, what came from without, I can't be about, myself do I doubt ever since that day Sentenced to the death by the Thing, four conspirators 'gainst our king Led by Son of the Wolf they're just four blood brothers going over the edge Eggin tykist mr bert ein gtt, sorgin skipar lagnutttin Sjlvur yrkti eg niurlag, frtt er Eystfelli fr at fara Brtt er vsan ll og tgn, hoyrdist t i kalda lagnan Leiddi teir Runsival, meg bert nian hgsta valaknk New day, we all pay for our mistakes on our way; lead me up the hillside at Daybreak, my mistake, don't shed a tear at my wake, just believe it's for my own sake No turning back now No tears at my wake, I'll pay for my vow Just march up the hill till we reach the end Transmigration calls, I long to ascend It's for my own sake
