

Tyr, Wings Of Time

Frndir teir skógin ra
Vi so góum treysti
Sóu brenna heitan eld
Og hartil fagnar kostir
Vtt um vegir gyltnir hjlmar syngja
Stga snar hestar teir springa
Hoyrast kundi langan veg sum teirra sporar ringja
Vtt um vegir gyltnir hjlmar syngja
If we live and we die, it it's based on a lie
So we come, we go, who knows just why
Places I've seen in decay
Things that I've known fade away
People I know never stay
Things that I am yesterday
Frndir teir skógin ra
Vi so góum treysti
Sóu brenna heitan eld
Og hartil fagnar kostir
Vtt um vegir gyltnir hjlmar syngja
Stga snar hestar teir springa
Hoyrast kundi langan veg sum teirra sporar ringja
Vtt um vegir gyltnir hjlmar syngja
One thousand years facing your fears
Hide all your doubt deep in the crowd
Unload the blame cover the shame
Cast it all out try to stand proud
Frndir teir skógin ra
Vi so góum treysti
Sóu brenna heitan eld
Og hartil fagnar kostir
Vtt um vegir gyltnir hjlmar syngja
Stga snar hestar teir springa
Hoyrast kundi langan veg sum teirra sporar ringja
Vtt um vegir gyltnir hjlmar syngja
If we live and we die and we live and we die
If we live and we breed our kin to succeed
So we come we go and leave our seed
The great wings of time are still in their prime
Maybe in some age to come we shall see
The talons of time take hold of a tree
Time folding its wings, the end of all things
Frndir teir skógin ra
Vi so góum treysti
Sóu brenna heitan eld
Og hartil fagnar kostir
Vtt um vegir gyltnir hjlmar syngja
Stga snar hestar teir springa
Hoyrast kundi langan veg sum teirra sporar ringja
Vtt um vegir gyltnir hjlmar syngja
