

Tyrone Wells, Need

Lady's and Gentlemen...Tyrone Wells

I don't love you baby

Don't love you at all

I don't want you baby

Don't want you at all

I fear it's worse than that

I fear it's worse than that

Chorus:

I need you, I need you baby

This craving makes me crazy

I'm dieing inside

Baby make up your mind

I need you, I need you baby

I'm holding on but barely

I'm dieing inside

When I cannot hide my need

I don't miss you baby

Don't miss you tonight

I don't want to hold you

Don't want to touch you just right

I fear it's worse than that

I fear it's worse than that

(Chorus)

How could you just walk away

Nonchalant and unafraid

It feels to me like you just took my soul

(Chorus)

I need you, I need you baby

I'm holding on but barely

I'm dieing inside

When I cannot hide my need

Oh need, Oh Need
