U2, Angel Of Harlem

It was a cold and wet December day When we touched the ground at JFK Snow was melting on the ground On BLS I heard the sound Of an angel

New York, like a Christmas tree Tonight this city belongs to me Angel

Soul love...this love won't let me go So long...angel of Harlem

Birdland on fifty-three The street sounds like a symphony We got John Coltrane and a love supreme Miles says she's got to be an angel

Lady Day got diamond eyes She sees the truth behind the lies Angel

Soul love...this love won't let me go So long...angel of Harlem Angel of Harlem

She says it's heart...heart and soul... Yeah yeah...(yeah) Yeah yeah...(right now)

Blue light on the avenue
God knows they got to you
An empty glass, the lady sings
Eyes swollen like a bee sting
Blinded you lost your way
Through the side streets and the alleyway
Like a star exploding in the night
Falling to the city in broad daylight
An angel in Devil's shoes
Salvation in the blues
You never looked like an angel
Yeah yeah...angel of Harlem

Angel...angel of Harlem... [Repeat and fade]
