

U2, Cartoon World

Mr. Burk is off to work
He carries papers in his carrier bag
Mr. Postman takes his bag back
Those angry dogs, those angry dogs

It's a cartoon world
It's a cartoon world
It's a cartoon world
It's a cartoon world

Mrs. Brown is off to town
She carries shopping in her shopping bag
Mr. Brown is working hard
For some degree at university

It's a cartoon world
It's a cartoon world
It's a cartoon world
It really is
It's a cartoon world
It's a cartoon world
It's a cartoon world

Uncle Tony hates a drag
He didn't give me a lot of time, dear
Jack and Jill go up the hill
To pick some flowers and daffodils

It's a cartoon world
It's a cartoon world
It's a cartoon world
It's a cartoon world
It's a cartoon world
It's a cartoon
