U2, Christmas (Baby, Please Come Home)

It's Christmas Baby, please come home

(Yeah!)

The snow's coming down I'm watching it fall Watching the people around Baby please come home

The churchbells in town They're rining a song What a happy sound Baby please come home

Theyr'e singing deck the halls But it's not like Christmas at all I remember when you were here And all the fun we had last year

Pretty lights on the tree I'm watching 'em shine You should be here with me Baby please come home

Baby please come home Baby please come home

They're singing deck the halls But it's not like Christmas at all I remember when you were here And all the fun we had last year

If there was a way I'd hold back these tears But it's Christmas day Baby please come home Ohh...

Baby please come home Baby please come home Ohh... Baby please come home Baby please come home
