

# U2, Corpse

Hey, see you soon  
Sail through your room  
I'll meet you there

Hey, be my friend  
Stay 'til the end  
Don't walk away  
Hey, hey, hey, hey...

Hey, take 'em off  
Don't talk that way

Don't feel my lover say  
Hey, hey, hey...

Chains move that thing  
Chains we can see  
My chains way too long  
Chains in this  
Chains move that thing  
Chains we could see  
Chains are way too long  
And I hear my song  
Hear my song
