

U2, Elevation

High, higher than the sun
You shoot me from a gun
I need you to elevate me here

A corner of your lips
Is the orbit of your hips
Eclipse
You elevate my soul

I've got no self control
Been living like a mole now
Going down, excavation
Higher now, in the sky
You make me feel like I can fly
So high
Elevation

A star
Lit up like a cigar
Strung out like a guitar
Maybe you can educate my mind

Explain all these controls
Can't sing but I've got soul
The goal is elevation

A mole
Digging in a hole
Digging up my soul now
Going down, excavation

Higher now
In the sky
You make me feel like I can fly
So high
Elevation

Love
Lift me out of these blues
Won't you tell me something true
I believe in you

A mole
Digging in a hole
Digging up my soul now
Going down, excavation

Higher now
In the sky
You make me feel like I can fly
So high
Elevation

Elevation
Elevation
Elevation
Elevation
