

# U2, Elevation

High, higher than the sun  
You shoot me from a gun  
I need you to elevate me here

A corner of your lips  
Is the orbit of your hips  
Eclipse  
You elevate my soul

I've got no self control  
Been living like a mole now  
Going down, excavation  
Higher now, in the sky  
You make me feel like I can fly  
So high  
Elevation

A star  
Lit up like a cigar  
Strung out like a guitar  
Maybe you can educate my mind

Explain all these controls  
Can't sing but I've got soul  
The goal is elevation

A mole  
Digging in a hole  
Digging up my soul now  
Going down, excavation

Higher now  
In the sky  
You make me feel like I can fly  
So high  
Elevation

Love  
Lift me out of these blues  
Won't you tell me something true  
I believe in you

A mole  
Digging in a hole  
Digging up my soul now  
Going down, excavation

Higher now  
In the sky  
You make me feel like I can fly  
So high  
Elevation
