

# U2, Everlasting Love

Hearts gone astray  
Keeping up when they go  
I went away  
Just when you needed me so  
You won't regret  
I'll come back begging you  
Don't you forget  
Welcome love we once knew  
Yeah

Open up your eyes  
Then you'll realize  
Here I said was my  
Everlasting love

Need you by my side  
Come and be my pride  
You'll never be denied  
Everlasting love

From the very start  
Open up your heart  
Feel the love you've got  
Everlasting love

This love will last forever  
This love will last forever

Hearts gone astray  
Keeping up when they go  
I went away  
Just when you needed me so  
You won't regret  
I'll come back begging you  
Don't you forget  
Welcome love we once knew  
Yeah...

When life really flows  
No one really knows  
The sun will have to show them  
Everlasting love

Like the sun it shines  
Endlessly it shines  
You always will be mine  
Eternal love

Whatever love went wrong  
Ours would still be strong  
We'd have our own  
Everlasting love

This love will last forever  
This love will last forever

Open up your eyes  
Then you'll realize  
Here I said was my  
Everlasting love

Need you by my side  
Come and be my pride  
Never be denied

Everlasting love

From the very start  
Open up your heart  
Feel the love you've got

Everlasting love  
[Repeat until end]
