

# U2, Every Breaking Wave

Every breaking wave on the shore  
Tells the next one there'll be one more  
Every gambler knows that to lose  
Is what you're really there for

Somewhere else fearlessness  
Now I speak into an answer phone

Like every silent leave on the breeze  
Winter wouldn't leave it alone

Hey now, hey now  
I don't know if I'm that strong  
I don't know if I'm that strong  
I don't know if I'm that strong  
To be somebody  
To need someone

Every sailor knows that the sea  
Is a friend-made-enemy  
Every shipwrecked soul knows what it is  
To live without and to receive

I thought I heard the master's voice  
It's hard to listen while you preach

Like every broken wave on the shore  
This was as far as I can reach

Hey now, hey now  
I don't know if I'm that strong  
I don't know if I'm that strong  
I don't know if I'm that strong  
To be somebody  
To need someone

The waves know where are the rocks  
And drowning is no sin  
And you know my heart is  
In the same place yours has been  
And we know the fear of winning  
So we end before we begin

The waves know where are the rocks  
And drowning is no sin  
You know my heart is  
The same place yours has been  
And we know the fear of wind  
Should end before we begin
