

# U2, Get On Your Boots

Future needs a big kiss  
Winds blow with a twist  
Never seen a move like this  
Can you see it too  
Night is falling everywhere  
Rockets hit the funfair  
Satan loves a bomb scare  
But it won't scare you  
Hey...Sexy Boots  
Get on your Boots  
Yeah...  
Free me from the dark dream  
Candy bars, ice cream  
All the kids are screaming but the ghosts arent real  
Heres what you gotta be  
Love & community  
Laughter is eternity if the joy is real  
You dont know how beautiful  
You dont know how beautiful  
You are...  
You dont know  
You get it do you  
You dont know  
How beautiful you are...  
If someones into blowing up  
Were into growing up  
Women are the future  
All the big revelations  
Ive gotta submarine  
Youve got gasoline  
I dont wanna talk about wars between nations  
Not right now  
Sexy Boots  
Get on your Boots  
Yeah...  
Foxy boots  
You dont know how beautiful  
You dont know how beautiful  
You are...  
Sexy Boots  
I dont wanna talk about wars  
Let me in the sound  
Let me in the sound  
Let me in the sound  
My God Im going down  
I dont wanna drown now  
Let me in the sound  
Let me in the sound  
Let me in the sound  
Let me in the sound  
Get on your Boots  
Get on your Boots  
Yeah...
