

# U2, Holy Joe (Guilty Mix)

I... I'm a humble guy  
no really I try  
you know it's hard sometimes

true... and hard working too  
working... to get to see you

come on come on come on come on... be good to me  
come on come on come on come on... be good to me

here it comes here it comes holy joe

please... don't make me say please  
to champagne and ice-cream  
it's not what I want, it's what I need

precocious... just a little precocious  
expialidocious... yeah yeah yeah

devotion... and some appreciation  
a little heavy rotation  
looks good on me

you know it's not hard, I can think of a lot harder... oh yeah  
just wanted our moment to last a little longer... yeah

come on come on come on come on... be good to me  
come on come on come on come on... be good to me

here it comes here it comes holy joe

having the best time of anybody's life  
closer than ever to everybody's wife... oh yeah

come on come on come on come on... be good to me  
come on come on come on come on... be good to me  
come on come on come on come on... be good to me  
come on come on come on come on come on come on

here it comes here it comes holy joe
