U2, I Threw A Brick Through A Window

I was talking I was talking to myself Somebody else Talk talk talking I couldn't hear a word A word you said

He was my brother I said there was no other Way out of here Be my brother Gotta get out Gotta get out

I was walking
I was walking into walls
I'm back again
I just keep walking
I walk into a window
To see myself
And my reflection
When I thought about it
My direction
Going nowhere
Going nowhere

No one...no one is blinder Than he who will not see No one...no one is blinder Than me

I was talking I was talking in my sleep I can't stop talking I'm talking to you It's up to you

Be my brother
There is another way out of here
In my brother
Gotta get out
Gotta get out
Gotta get out of here
