U2, Red Hill Mining Town

From father to son The blood runs thin See faces frozen still Against the wind

The seam is split
The coal face cracked
The lines are long
There's no going back
Through hands of steel
And heart of stone
Our labour day
Has come and gone

Yeah you leave me holding on In Red Hill Town See lights go down, I'm...

Hanging on You're all that's left to hold on to I'm still waiting I'm hanging on You're all that's left to hold on to

The glass is cut
The bottle run dry
Our love runs cold
In the caverns of the night
We're wounded by fear
Injured in doubt
I can lose myself
You I can't live without

Yeah you keep me holding on In Red Hill Town See the lights go down on I'm hanging on You're all that's left to hold on to I'm still waiting Hanging on You're all that's left to hold on to Hold on to

We'll scorch the earth
Set fire to the sky
We stoop so low to reach so high
A link is lost
The chain undone
We wait all day
For night to come
And it comes
Like a hunter child

I'm hanging on You're all that's left to hold on to I'm still waiting I'm hanging on You're all that's left to hold on to

Love...slowly stripped away Love...has seen its better day

Hanging on The lights go out on Red Hill

The lights go down on Red Hill Lights go down on Red Hill town The lights go down on Red Hill
