

# U2, Satellite Of Love

Satellite's gone  
Up to the sky  
Things like that drive me  
Out of my mind  
I watched it for a little while  
I love to watch things on TV

Oh...satellite of love  
Ah...satellite of love  
Oo...satellite of love  
Satellite

Satellite's gone  
Way up to Mars  
Soon it will be filled  
With parking cars  
I watched it for a little while  
I love to watch things on TV

Ooo...ahh...satellite of love  
Ha...satellite of love  
Satellite of love  
Satellite

I've been told that you've been bold  
With Harry, Mark, and John  
Monday, Tuesday, Wednesday, Friday  
Harry, Mark, and John

Satellite's gone  
Up to the sky  
Things like that drive me  
Out of my mind  
I watched it for a little while  
I love to watch things on TV

Hoo...satellite of love  
Haa...satellite of love  
Hoo...satellite of love  
Satellite of...

Satellite...satellite...  
[Repeat until end]
