U2, Satellite Of Love

Satellite's gone
Up to the sky
Things like that drive me
Out of my mind
I watched it for a little while
I love to watch things on TV

Oh...satellite of love Ah...satellite of love Oo...satellite of love Satellite

Satellite's gone
Way up to Mars
Soon it will be filled
With parking cars
I watched it for a little while
I love to watch things on TV

Ooo...ahh...satellite of love Ha...satellite of love Satellite of love Satellite

I've been told that you've been bold With Harry, Mark, and John Monday, Tuesday, Wednesday, Friday Harry, Mark, and John

Satellite's gone
Up to the sky
Things like that drive me
Out of my mind
I watched it for a little while
I love to watch things on TV

Hoo...satellite of love Haa...satellite of love Hoo...satellite of love Satellite of...

Satellite...satellite... [Repeat until end]
