

U2, Slug

Don't want to lose my shirt
Don't want to dig the dirt
Don't want you to get hurt
Can't help but I'm a flirt
Don't want to take your drugs
Don't want to be a slug
Don't want to overdress
Don't want to make a mess
Don't want you to confess
Not under duress
Don't want be untrue
I want to be with you
Don't want to lose my nerve
Don't want to throw the curve
Don't want to make you swerve
Don't want what I deserve
Don't want to change the frame
Don't want to be a pain
Don't wanna stay the same
