

# U2, Song For Someone

You've got a face not spoiled by beauty  
I have some scars from where I've been  
You've got eyes that can see right through me  
You're not afraid of anything they've seen

I was told that I would feel  
Nothing the first time  
I don't know how these cuts heal  
But in you, I've found a right

If there is a light  
You can always see  
And there is a world  
We can always be  
If there is a dark  
That we shouldn't doubt  
And there is a light  
Don't let it go out  
And this is a song  
A song for someone  
This is a song  
A song for someone

You let me into a conversation  
A conversation only we could make  
You're breaking into my imagination  
Whatever's in there is yours to take

I was told that I would feel  
Nothing the first time  
You were so long to heal  
But this could be the night

If there is a light  
You can always see  
And there is a world  
We can always be  
If there is a dark  
Within and without  
And there is a light  
Don't let it go out  
And this is a song  
A song for someone  
This is a song  
A song for someone

And I'm a long way  
From your hill or cavalry  
And I'm a long way  
From where I was, where I need to be  
If there is a light you can always see  
And there is a world we can always be  
If there is a kiss I stole from your mouth  
And there is a light, don't let it go out
