

U2, The fly

THE FLY

It's no secret that the stars
are falling from the sky
It's no secret that our world
is in darkness tonight
They say the sun is sometimes
eclipsed by a moon
You 'know I don't see you
when she walks in the room
It's no secret that a friend
is someone who lets you help
It's no secret that a liar
won't believe anyone else
They say a secret is something
you tell one other person
So I'm telling you... child

Low Voice

A man will beg
A man will crawl
On the sheer face of love
Like a fly on a wall
It's no secret at all
Gospel Voice
Love, we shine like
a burning star
We're fallin' from
The sky... tonight
It's no secret that a conscience
can sometimes be a pest
It's no secret ambition
bites the nails of success
Every artist is a cannibal
every poet is a thief
All kill their inspiration
and sing about their grief

Low Voice

A man will beg
A man will crawl
On the sheer face of love
Like a fly on a wall
It's no secret at all
Gospel Voice
Love, we shine like
a burning star
We're fallin' from
The sky... tonight
(Achtung Baby)
Oh yeah

It's no secret that the stars
are falling from the sky
The universe exploded 'cosa one man's lie
Look I gotta go
Yeah I'm running outta change
There's a lot of things
If I could I'd rearrange
