

# U2, The Saints Are Coming

(feat. Green Day)

[Originally by The Skids]

There is a house in New Orleans  
They call the Rising Sun  
It's been the ruin  
Of many a poor boy  
And God I know I'm one

I cried to my daddy on the telephone how long now?  
Until the clouds unroll and you come down, The line went  
But the shadows still remain since your descent, your descent

I cried to my daddy on the telephone how long now?  
Until the clouds unroll and you come home, The line went  
But the shadows still remain since your descent, your descent

Boom Cha Hey!

The saints are coming  
The saints are coming  
I say no matter how I try  
I realize there's no reply

The saints are coming  
The saints are coming  
I say no matter how I try  
I realize there's no reply

A drowning sorrow floods the deepest grief, how long now  
Until a weather change condemns belief, how long now  
When the night watchman lets in the thief, what's wrong now

Boom Cha Hey!

The saints are coming  
The saints are coming  
I say no matter how I try  
I realize there's no reply

The saints are coming  
The saints are coming  
I say no matter how I try  
I realize there's no reply  
I say no matter how I try  
I realize there's no reply  
I say no matter how I try  
I realize there's no reply
