

U2, This Is Where You Can Read Me Now

Soldier, soldier
Who sent our lives away
Complete surrender
The only way we know
Soldier, soldier
We know the World newer be the same
Soldier This is Where You Can Reach Me Now

We come from ancient place
The only one we can see
We come to color as you night
And steal your poetry
Old men know than I listen
How could I have something to say
Old men know how to be on a mission
You don't know if you don't play

1, 2, 3, 4
Was it on?

Soldier, soldier
Who sent our lives away
Complete surrender
The only way we know
Soldier, soldier
We know the World newer be the same
Soldier This is Where You Can Reach Me Now
