

# U2, This Is Where You Can Read Me Now

Soldier, soldier  
Who sent our lives away  
Complete surrender  
The only way we know  
Soldier, soldier  
We know the World newer be the same  
Soldier This is Where You Can Reach Me Now

We come from ancient place  
The only one we can see  
We come to color as you night  
And steal your poetry  
Old men know than I listen  
How could I have something to say  
Old men know how to be on a mission  
You don't know if you don't play

1, 2, 3, 4  
Was it on?

Soldier, soldier  
Who sent our lives away  
Complete surrender  
The only way we know  
Soldier, soldier  
We know the World newer be the same  
Soldier This is Where You Can Reach Me Now
