

# U2, Twilight

I look into his eyes  
They're closed but I see something  
A teacher told me why  
I laugh when old men cry

My body grows and grows  
It frightens me you know  
The old man tried to walk me home  
I thought he should have known

Twilight...  
Twilight, lost my way  
Twilight, can't find my way

In the shadow boy meets man  
In the shadow boy meets man  
In the shadow boy meets man  
In the shadow boy meets man

I'm running in the rain  
I'm caught in a late night play  
It's all; it's everything  
I'm soaking through the skin

Twilight...darkened day  
Twilight...lost my way  
Twilight...night and day  
Twilight...can't find my way

Can't find your way  
Can't find my way  
Can't find your way

Twilight...darkened day  
Twilight...lost my way  
Twilight...night and day  
Twilight...can't find my way

In the shadow boy meets man  
In the shadow boy meets man  
In the shadow boy meets man  
In the shadow boy meets man
