## U2, Walk On

And love
It's not the easy thing
The only baggage
That you can bring
Not the easy thing
The only baggage you can bring
Is all that you can't leave behind

And if the darkness is to keep us apart And if the daylight feels like it's a long way off And if your glass heart should crack Before the second you turn back Oh no, be strong

Walk on Walk on What you got, they can't steal it No they can't even feel it

Walk on Walk on Stay safe tonight

You're packing a suitcase for a place None of us has been A place that has to be believed To be seen

You could have flown away A singing bird In an open cage Who will only fly Only fly for freedom

Walk on
Walk on
What you got
You can't deny it
Can't sell it or buy it

Walk on Walk on You stay safe tonight

And I know it aches How your heart it breaks You can only take so much

Walk on Walk on

Home Hard to know what it is If you never had one

Home I can't say where it is But I know I'm going

Home That's where the heart is

And I know it aches And your heart it breaks You can only take so much Walk on

Leave it behind You've got to leave it behind

All that you fashion All that you make All that you build All that you break

All that you measure All that you feel All this you can leave behind

All that you reason All that you care

It's only time And I'll never fill up all my mind (??)

All that you sense All that you scheme All you dress up And all that you see

All you create All that you wreck All that you hate
