

# U2, Wild Honey

In the days  
When we were swinging from the trees  
I was a monkey  
Stealing honey from a swarm of bees

I could taste  
I could taste you even then  
And I would chase you down the wind

You can go there if you please  
Wild honey  
And if you go then go with me  
Wild honey

Did I know you  
Did I know you even then  
Before the clocks began time  
Before the world was made

From the cruel sun  
You were sheltered  
You were my shelter and my shade

If you go there with me  
Wild honey  
You can do just what you please  
Wild honey

Yeah, just blowing in the breeze  
Wild honey  
Wild, wild, wild

I'm still standing  
I'm still standing where you left me  
Are you still growing wild  
With everything tame around you

I send you flowers  
Could flowers thaw your heart  
I know your garden is full  
But is there sweetness at all

What is soul  
Love me  
Give me soul

If you go then go with me  
Wild honey  
Won't you take me, take me please  
Wild honey

Yeah, swinging through the trees  
Wild honey  
Wild, wild, wild
