

U2, Window In The Skies

The shackles are undone
The bullet's quit the gun
The heat that's in the sun
Will keep us when it's done
The rule has been disproved
The stone, it has been moved
The grain is now a grove
All debts are removed

Oh, can't you see what love has done
Oh, can't you see what love has done
Oh, can't you see what love has done
What it's doing to me

Love makes strange enemies
Makes love where love may please
Soul in its striptease
Hate brought to its knees
The sky over our head
We can reach it from our bed
If you let me in your heart
And out of my head

Oh, can't you see what love has done
Oh, can't you see what love has done
Oh, can't you see what love has done
What it's doing to me

Please don't ever let me out of here
I've got no shame
Oh no, oh no

Oh, can't you see what love has done
Oh, can't you see
Oh, can't you see what love has done
What it's doing to me

Oh, can't you see what love has done
I know I hurt you and I made you cry
Oh, can't you see what love has done
Did everything but murder you and I
Oh, can't you see what love has done
But love left a window in the skies
Oh, can't you see what love has done
And to love I rhapsodize

Oh, can't you see what love has done
To every broken heart
Oh, can't you see what love has done
For every heart that cries
Oh, can't you see what love has done
Love left a window in the skies
Oh, can't you see what love has done
And to love I rhapsodize

Oh, can't you see
